

ABSTRACT SUBMISSION GUIDELINES

The **14th Australia New Zealand Conference on Geomechanics 2023** Organising Committee invites the submission of abstracts of original work for consideration as an Oral or Poster Presentation for the Conference.

PAPERS SUBMISSION KEY DATES

Call for Abstracts Opens	Tuesday, 3 May 2022
Call for Abstracts Close	Monday, 29 August 2022
Author Notification	Late September 2022

INSTRUCTIONS FOR PREPARING AND FORMATING YOUR ABSTRACT

- Abstracts must be submitted in English.
- Maximum number of 250 words, excluding the title and authors.
- Abstracts can be prepared in Microsoft Word and the text can then be copy and pasted into the appropriate box on the submission page.
- Use standard abbreviations only. Within the body of the abstract, when using abbreviations spell out the name in full at first mention and follow with the abbreviation in parenthesis. Abbreviations may be used in the title, provided the name in full is outlined in the body of the abstract.
- It is the responsibility of the submitting author to ensure that the submission has been approved by all authors.
- The Organising Committee will not be responsible for any errors published.

INSTRUCTIONS FOR SUBMITTING YOUR ABSTRACTS

1. [Click here](#) to commence your Abstract submission through eOrganiser. Abstracts must be submitted by a presenting author and will only be accepted via eOrganiser.
2. Click the **'Create an Author Account'** button on the bottom right-hand side.
3. After completing your author account details, you will be sent an email to verify your account for login. Please record your account password in case you need to access it again to make any changes to your submission prior to lodgement.
4. Once logged in, click the **'Submit'** button to access the submission page.
5. Indicate your preferred **presentation type**:
 - a. Oral Presentation
 - b. Poster Presentation
6. Enter your abstract title in the **'Abstract Title'** section.
7. Enter your abstract summary in the text box.
8. Add any additional emails to the email correspondence box (any email addresses entered here will be included in the correspondence emails that are sent to you).
9. Ensure you indicate the presenting author(s) for the abstract.

10. Select the theme for your abstract that you wish to submit against.
11. Complete all other fields, noting those labelled with a (*) symbol must be filled.
12. Click '**Preview and Submit**'. You will be able to preview your abstract and make any changes if required.
13. While on the preview window, click '**Submit**' to confirm your Abstract submission. If you do not receive a confirmation email that your Abstract was successfully submitted, please contact the Conference Managers via email: anzgeo2023@arinex.com.au.

GENERAL POLICIES AND REQUIREMENTS

- All abstracts must contain original work of the presenting author(s).
- The presenting author must submit the abstract.
- Abstracts must be submitted to the Conference Managers via eOrganiser by **Monday, 29 August 2022**.
- All fields on the online abstract submission form must be completed.
- Acceptance of Abstract for presentation and the presentation type at the Conference will be based on committee selection. Please note your requested presentation type may not be your accepted presentation type.
- All presenting authors will be required to register and pay for the Conference by the author registration deadline of **Thursday, 25 May 2023** to ensure that their submission(s) are included in the final program.
- Authors must seek permission from the Organising Committee for a co-author to present their abstract(s).
- It is the responsibility of the presenting author to ensure that the abstract is submitted correctly.
- After an author has submitted their abstract, they must check their submission to ensure the document has been uploaded correctly. Authors are able to check their submission by clicking on the viewing option in the submission form.
- The Conference Managers will not be held responsible for abstract submissions not received via the website or for submission errors caused by Internet services outages or other unforeseen events.

ASSESSMENT CRITERIA

Each Abstract will be assessed according to the following criteria:

1. Relevance to a Conference theme(s).
2. Relevance to the professional context of delegates.
3. Potential to contribute to the body of knowledge.

THEMES

Each Abstract will be submitted under one of the following [themes](#):

- Soil Mechanics & Rock Mechanics
- Numerical Methods for Geomechanics

- Digital Solutions in Geomechanics and BIM
- Ground Characterisation and Site Investigation
- Soft Soils Engineering
- Ground Improvement
- Partially Saturated Soils and Shrink-Swell Behaviour
- Sustainability in Ground Engineering
- Energy Geotechnics – Onshore & Offshore
- Geotechnics & Climate Change – Levees, Scour, Coastal Erosion
- Seismic Geomechanics
- Tunnels and Underground Construction
- Mining Geomechanics
- Slopes, Dams & Retaining Structures
- Earthworks and Pavements
- Foundations

NOTIFICATION OF ACCEPTANCE

Notification of acceptance will be sent via email to the submitting author by **late September 2022**. Acceptance or otherwise is at the discretion of the Organising Committee whose decision is final. All presenting authors must register and pay to attend the Conference.

REGISTRATION

The presenting author will be required to register for the Conference in order to ensure his/her abstract is included in the final Program. The deadline for presenting author registration is **Thursday, 25 May 2023**.

Thank you for your help in making the ANZ Geomechanics Conference a success!
